FULL STACK DEVELOPER

Driven full stack web developer with leadership experience and exceptional communication skills. Recently graduated from the University of Minnesota full stack web development bootcamp with skills in teamwork, MERN stack development, debugging and version control. Passionate about making an impact in my local community by being an active member of the Grandy Lions Club and by helping others realize and reach their potential. Excited to further use my problem solving, creative, and collaboration strengths in the technical field.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript

Database: MySQL, MongoDB

Tools: Express, React, Node, Bootstrap, GitHub, Google-fu

PROJECTS

Alms4Grandy - <https://alms4grandy.herokuapp.com> | <https://github.com/cc22389/alms4grandy>

Full-stack react app designed for the Grandy Community Center

- Worked in a team of 3 to create this clean and intuitive website built with react for a local community center for our final project.
- Tools used: HTML, CSS, JavaScript, MongoDB Atlas, Express, React, Node, Bootstrap, GitHub

xkcDaily - <https://xkcdaily.herokuapp.com> | <https://github.com/LindseyM20/xkcDaily>

Schedule some laughter in your day by using this calendar app that'll display and save xkcd comics

- Worked in a group of 4 primarily in the back-end using pair programming to set up passport and sequelize models. We then worked as a team to connect the front and back end.
- Tools used: HTML, CSS, JavaScript, My SQL, Express, Node, Passport, jQuery, API calls

Consolation Cat for the Times - https://kyliemegan24.github.io/Consolation_Cat_News_App | https://github.com/kyliemegan24/Consolation_Cat_News_App

Enjoy the New York Times with a delightful twist that's sure to bring a smile

- Worked in a team of 3 to create this mobile first clean, fun, front-end application.
- Tools used: HTML, CSS, JavaScript, jQuery, API calls, GitHub

EXPERIENCE

North Country Transportation

Owner

Grasston, MN

2019-2020

Built and oversaw day to day operations of my non-emergency medical transportation company when inspired to start a company that would help the local community.

KEY ACHIEVEMENTS:

- Applied for and maintained all legal licenses and contracts
- Executed payroll, billing, accounting, and taxes
- Maintained vehicle and employee records following state regulations

Carl's Irrigation

Irrigation/ Landscaping Team Lead

Ham Lake, MN

2016-2020

Led and trained many hardworking crew members to put pride into their work. Our goal was not only for the job to look amazing and be done in a timely fashion but for it to be done right in and in a way that the customer was fully satisfied with.

KEY ACHIEVEMENTS:

- Dig trenches, install sprinkler heads, connect sprinkler lines, do service repairs as needed
- Install edging, spread and level mulch and rock, plant shrubs, lay sod
- Keep parts, tools, and work truck organized

EDUCATION

Bootcamp Certificate in Full Stack Web Development

University of Minnesota – Remote

A 12-week intensive program focused on gaining experience with the full MERN stack.
